

# No. 58 A

## NATURAL SCIENCES

### CONTENTS

#### 【Biology】

- FUJIWARA, K., YONEYAMA, Y., INOUE, S., HASHIKAWA, N., and HASHIKAWA-HOBARA, N.  
: Evaluation of anxiety-like behavior in calcitonin gene-related peptide KO mice ... 1
- ASANO, Y., KADOTA, T., and MATSUURA, K. : Growth and estrous cycle changes of ICR female  
mouse under continuous light stimuli ..... 7

#### 【Information Engineering • Communication Engineering】

- SAITO, N., ODA, T., HIRATA, A., and KATAYAMA, K. : Implementation and Evaluation of Mobility  
Control Method based AAV ..... 13
- HIRATA, A., ODA, T., SAITO, N., and KATAYAMA, K. : Mesh router placement and number of mesh  
routers optimization : Improving cost efficiency in WMNs ..... 19
- YUKAWA, C., ODA, T., TOYOSHIMA, K., and NAGAI, Y. : Design of Robot Vision for Micro-roughness  
Recognition ..... 27
- NAGAI, Y., ODA, T., TOYOSHIMA, K., and YUKAWA, C. : Development of a Wireless Sensor Network  
for Water Reservoir Monitoring —Evaluation of Communication Delay and Surroundings  
Temperature Prediction— ..... 33
- TOYOSHIMA, K., ODA, T., YUKAWA, C., and NAGAI, Y. : Proposal and Evaluation of a Soldering  
Techniques Analysis System for Danger Detection ..... 39

#### 【Mechanical Engineering • Control Engineering】

- HASE, K., AKAGI, T., CHO, F., and SHINOHARA, T. : Development of Simple Attitude Measuring  
Sensor for Leg of 6-legged Mobile Robot and Simplification of Control System ..... 45

#### 【Environmental Engineering】

- NAOHARA, J. and LI, Y. : Measurement of element concentrations in biological samples (hair and  
nails) collected in Inner Mongolia, China. .... 53

#### 【Construction】

- INOUE, A., NAKAO, K., and HIRAYAMA, F. : A Study of Factors Influencing the Current Status  
and Scale of "Ekinaka" in Japan ..... 61
- NAKAO, K., INOUE, A., and HIRAYAMA, F. : A study on Overview of Museum Architecture in Japan  
and New Trends such as Smaller Scale ..... 71

#### 【Veterinary Medicine】

- NAKAMURA, Y., FUKASE, T., DOI, M., and MATSUMOTO, J. : High palatability for dogs and  
domestic cats of sliced Katsuobushi (smoked-dried bonito) and other dried treats ..... 79
